Subject: Endorsement: How To Begin A Counseling Ministry And Take It Higher

This letter is provided to endorse the Ministry Starter Program "How To Begin A Counseling Ministry And Take It Higher" authored by Dr. Ricky Nation and the Abundant Life Christian Counseling Services. RMCM Ministries has been searching for this type of program, and a way to offer this very important and relevant element of ministry development for our 300 + students, especially those who are new to their calling, and possess little or no experience in ministry or ministry organizations.

Dr. Nation has taken his years of experience and a product that emphasizes the importance of steps to properly plan, develop and sustain a legal and ethical ministry organization, The information in this product is presented in clear and understandable terms, and found to be very suitable, and well-received for our students.

I recommend this program to individuals who is or has experienced the call to ministry, and desires to develop a firm foundation to work from, and for current ministries and organizations who desire to take their ministries to the next level as God leads.

RMCM Ministries is proud to be associated as a colleague of Dr. Nation, and the work that God is mightily using Abundant Life Christian Counseling Services, in advancing the work of the Kingdom ! Thank you.
