Created In God's Image

*A Course in Human Behavior;
A Christian Perspective*

"For the good that I would do, I do not; but the evil which I would not, that I do." Romans 7:19

Created In God's Image

The Sarasota Academy of Christian Counseling is proud to present a course which will help Christians understand human behavior from A Christian perspective.

Until now, most of the training in human behavior that has been available to the Christian community has been secular and developed by teachers and writers who clearly believe in evolution.

Created in God's Image is a course that has been developed upon the belief in Creation. It is biblically based and non-denominational.

NOW you can finally understand:

- † Why you do the very things you do not want to do
- † What causes your inner conflicts
- † What causes your conflicts with others
- † Your hidden needs as a unique Creation of God

"I will praise thee; for I am fearfully and wonderfully made: marvelous are thy works..." Psalm 139:14

We are fearfully and wonderfully made by our God who created the Heavens and the Earth. We are very special and unique!

Understanding who God created you to be will help you to live a victorious Christian life. You will understand your weaknesses and learn how to surrender them to the Lord and, with His help, learn how to develop your strengths.

Paul's question was not HOW am I behaving? It was WHY am I behaving this way? This course will help you to understand why people do the things they do.

In Hosea 4:6a the Bible states: "My people are destroyed for lack of knowledge..." Having this new knowledge will not only draw you closer to the Lord Jesus Christ, it will help you in your relationship with others, e.g., friends, co-workers and family members.

We pray that the Lord blesses you as you seek His will for your life.

Dr. Rogers has taught *Created in God's Image* and has the following comment.

"I strongly recommend *Created in God's Image* to all pastors and laypeople. This course will help you understand yourself and other people by understanding the temperament. You will begin to understand why you are like you are and why other people are as they are."

"I believe we are here as Christians to encourage one another to walk a more Christ-like life. We can do this once we understand the temperament of ourselves and others."

"People who have taken this course have said that this is the best course in Christian education today and that it has literally changed their lives."
